- ✓ If you are looking for services in the pharmaceutical industry with outstanding value-for-money
- ✓ If the guaranteed quality and a high degree of safety are important to you
- ✓ If you are looking for a service tailored to your individual needs in the field of pharmaceutical delivery and logistics
- ✓ If you are looking for a reliable partner for the long term

then you are sure to find the perfect solution at Medimpex!

ENABLING YOUR RAPID MARKET ENTRY

HOW CAN YOU BECOME A DETERMINING PLAYER IN MEDICINE TRADING IN A SHORT TIME?

**With quick and simple management
and efficient supply chain!**

With our transparent processes and as a subsidiary of Hungaropharma, we provide the opportunity to enter the market quickly with professional logistics and delivery background.

Deliveries may start within two weeks from the conclusion of the contract!

With our youthful attitude, dynamically developing solutions and up-to-date technologies, we ensure optimal operation in line with market trends in pharmaceutical goods traffic.

OUTSTANDING VALUE-FOR-MONEY SERVICES, ACCESSIBLE CONSTRUCTIONS

YOU HAVE A LIMITED BUDGET, BUT QUALITY OPERATION IS STILL IMPORTANT FOR YOU?

Medimpex's solutions represent affordable options!

- > Even for start-ups, our optimal value for money services and independent pharmaceutical trade activities ensure successful operations.
- > We primarily help companies that do not have their own pharmaceutical wholesale license.

”

Our mission is to support the preservation of Hungarian public health at a high level with our expertise, modern technologies and quick reactions to market changes.

”

CEO

UNIQUE NEEDS, UNIQUE SOLUTIONS

**ARE YOU LOOKING FOR A SERVICE
THAT CAN BE FLEXIBLY ADJUSTED
TO YOUR NEEDS – HOWEVER SPECIAL
THEY MIGHT BE?**

We know that no two problems are the same, so with flexible contractual structures we always think in terms of services adapted to the given circumstances and needs. Even for businesses kicking off with smaller volumes!

- > We are in contact with all human medicine wholesalers in the country, and we also provide psychotropic and drug treatment, contact lenses or medical devices, while delivering to both hospitals and retailers.
- > With data-driven operations, we provide reports and statistics as needed in order to support the growth of our partners' sales.
- > The infrastructure of our logistic services is provided by the internationally recognized Gondrand Kft., so we grant a modern warehouse and IT infrastructure managed by experts, as well as partner-specific logistics solutions.

GUARANTEED SAFETY AND CONTROLLED QUALITY

ARE YOU LOOKING FOR A PARTNER WHO PROVIDES MAXIMUM MEDICINE SAFETY?

You can count on the safety and the quality of solutions with us!

- > Medimpex is the only company in the country that distributes both veterinary and human medicinal products, so only we provide the special conditions in the trade of veterinary medicinal products which are required by human medicinal products.
- > We provide the highest quality available on the market that is fully compliant with legislation with our pharmaceutical experts, with high-level safety, quality assurance and pharmacovigilance systems, and with our strong relations to authorities.

REGULAR DEVELOPMENT

DO YOU HAVE AN ESTABLISHED LONG-TERM BUSINESS STRATEGY FOR THE FUTURE?

We support your success with our continuously extending product portfolio and innovative processes!

- > We are convinced that it is not enough to just keep up with today's rapidly developing commercial solutions and related technologies, thus we proactively and regularly integrate more and more sustainable solutions into our service portfolio.
- > We regularly optimize our processes, and we are not afraid to get rid of unnecessary steps!
